AFFIDAVIT IN REBUTTAL of AFFIDAVIT FOR KATHERINE E. TILKA

PLEASE TAKE NOTICE, that **Sherrie Hampton-Muhamed**, your Affiant and the undersigned, with personal knowledge of matters set forth herein, one of the people of Georgia, in correct public capacity, being of majority in age, competent to testify with clean hands, without waiving any rights, remedies, or defenses declares, verifies and affirms that the facts stated herein are true, correct, and complete in all material fact, not misrepresented and made under the penalties of perjury of the laws of the united States of America and the State of Georgia, except

those statements of fact made upon information and belief, and as to those statements, the undersigned believes them to be true:

1. I am a consumer who has filed an Amended Complaint for Fair Debt Collection Practices Act ("FDCPA") violations and am disputing the debt in my Amended Complaint to curtail Ronald R. Wolfe's ("RRW") abusive debt collection practices and therefore dispute the items below in the affidavit:

2. Item #2 states that Attorney Tilka files and prosecutes foreclosure actions in Florida for RRW. Attorney Tilka is acting in the capacity of a debt collector. Affiant's Complaint is about Attorney Tilka's actions in relation to debt collection for an alleged debt Affiant does not owe, in violation of FDCPA, 15 USC 1692, *et seq.*, which has nothing to do with foreclosure.

3. Affiant disputes Item #4. Attorney Tilka actually did transact business in Georgia by taking action on the alleged debt of the affiant. When Attorney Tilka reached across the Florida state line into Georgia, in attempt to collect a debt, even though the principle location of the alleged debt is in Missouri, Attorney Tilka and RRW are in effect, in fact conducting business in Georgia. RRW sent a process server to serve process upon affiant in Georgia. Attorney Tilka and other attorneys of RRW mailed to affiant's address in Georgia continued communication in attempts to collect a debt. In attempts to collect a debt that was extinguished by

the borrowers death, Attorney Tilka represented RRW and all of their actions and interests and continued to provide false and misleading information to the tribunal in attempts to collect a debt in Georgia that was disputed and never validated. (15 USC 1692e and 1692g(b)).

4. Affiant disputes Item #7. Attorney Tilka states she did not commit a tortious injury in Georgia. However, the intense infliction of emotional distress affiant experienced in Georgia created by the lawsuit and actions of Attorney Tilka was a tortious injury. All of the evidence of the tort is in the case or will be presented later.

5. Affiant disputes Item # 8. Attorney Tilka pursuing debt collection activities in Georgia is doing business in the state of Georgia. If Attorney Tilka was paid to act on behalf of the firm, and/or for herself, and the firm was making money on their deliberate actions in Georgia, then she would have derived revenue from the actions executed in Georgia. Until all documents are produced showing what actions were taken it is impossible to know whether action was persistent or consistent in the debt collection process.

6. Affiant disputes #11 where Attorney Tilka states that the Amended Complaint she reviewed was about the prosecution of a foreclosure action. This again is a distraction from the actual debt collection. The Amended Complaint is

about Attorney Tilka's behavior and conduct in her attempts to collect a debt from affiant that is not affiant's responsibility. Attorney Tilka attempted to attach to the affiant the debt of a dead man, when she should have known full well that said debt was extinguished at death. Attorney Tilka continued to provide false and misleading information to the tribunal and continued to pursue debt collection without validating the debt in violation of federal statutes for Fair Debt Collection Practices..

7. . Affiant disputes Item #12. Attorney Tilka stated she had limited involvement in the subject foreclosure. Affiant's Amended Complaint was about Attorney Tilka's actions related to debt collection, not foreclosure. It appears that Attorney Tilka is attempting to distract the court with issues of foreclosure instead of allowing the court to focus on violations of FDCPA. It also appears that Attorney Tilka along with others in the law firm are trying to pass the liability and responsibility on to someone else so that Tilka cannot be held liable for the violations of federal law. If anyone at RRW could attend hearings based on who was available, then how is affiant supposed to know who actually created the documents, whether they were diligent in handling the case, and who is responsible for the debt collection actions. Attorney Tilka is again referring to conduct regarding a foreclosure, but Affiant's Complaint is about debt collection and

Attorney Tilka's behavior, or lack thereof, related to debt collection. Presumably Attorney Tilka would have read the pleadings and supporting documents, which would have led her to the conclusion that Affiant does not have a personal legal relationship with James B Nutter & Co. or Ronald R. Wolfe & Assocs.

. 8. Affiant disputes Item #14 where Attorney Tilka states no acts were committed by her in Georgia. Affiant states that any action on this file is business activity in Georgia and in order to pursue the debt collection and according to the long arm statute, Attorney Tilka had to reach into Georgia.

9. Affiant disputes Item #15 where Attorney Tilka states she should not be subject to a lawsuit in Georgia. If Attorney Tilka does not want to be subject to suit in Georgia, she should not have conducted business in Georgia or violate the federal statutes while conducting business in Georgia.

Further, Affiant sayeth naught.
